

## Summer Uniform

Students may wear the Summer Uniform until **Thursday, October 10, 2019**. The Summer Uniform is optional. If parents wish for their child to wear the Summer Uniform, the required items (listed below) may be purchased at **DGN Quilters**. Students may still wear their regular uniform if they wish.

With the warmer weather and increased direct sun exposure during recess, students should wear sunscreen and a hat. We also recommend an extra beverage(s) be packed to drink for after recess and an additional one if your child is in the after school program.

Below is a list of items for the summer uniform:

- Black Dress Shoes (**running shoes are not allowed**)
- Navy Socks (**white or sport socks are not allowed**)
- White, short-sleeved, button-down Oxford Dress Shirt (**embroidered with RS**)
- Rotherglen Tie (**may be removed for recess**)
- Unisex Navy Walking Shorts (**worn at the waist**)
- Navy Skort (an option for girls instead of Walking Shorts)
- **Blazers are only required for students in Gr. 4 to 8 who wish to wear the regular uniform.**

### A Note about Running Shoes

In order to maintain the formality of the uniform and to instill a sense of pride in appearance from the start of the day through to the end, students must wear their black dress shoes to and from school.

**Exceptions are permitted in the following instances:** for students who walk or bike to and from school; for Grade 5-8 students who have gym class first period; for students who have finished an after-school sports practice; and for Grade 1-4 students on their two gym days per week. We understand that students may need their running shoes at home. If so, those students will need to simply carry them in their hand or place them in their schoolbag.

Unisex Walking Short

**We thank parents for their support and partnership in assisting the school in ensuring that all necessary Rotherglen uniform requirements are met.**

Girls' Skort
